European Regional Development Fund

The **NATIFLife** project aims at creating a **new framework** for the development of valuable and innovative solutions in the field of **Assistive Technology** to improve the life quality and autonomy of elderly.

15.00 **Registration**

15.30 **Welcome message**

*B. Andò, project coordinator - institutional representatives*

15.50 **Assistive Technologies for the Independent Living**

*P. Siciliano, Italian Cluster SmartLiving*

16.40 Coffee Break

17.10 **The NATIFLife Project**

*B. Andò, University of Catania*

**Reinforced Labs and Research Activity**

*C. De Bono, Univ. of Malta - V. Marletta, Univ. of Catania*

**Pilot Demo Sites: a form of Living Labs**

*G. Travaglianti, Helios - L. Trevisan, Paragon Europe*

**Integrated Platform of Assistive Technology**

*S. Salupo, Salupo s.a.s. - L. Porcaro, Viteco s.r.l.*

**The strategic role of End-Users**

*G. Delfa, Social Policy Service, Municipality of Catania*

18.20 **Round Table “The impact of Ass. Tech on the Society”**

**Research on Assistive Technology**

*B. Andò, University of Catania*

**The Italian Cluster on Smart Living**

*P. Siciliano, Italian Cluster SmartLiving*

**Psychological involvement of Technology for Autonomy and Rehabilitation**

*S. Di Nuovo, Italian Association of Psychology*

**The point of view of Social Service**

*A. Blandi, Consorzio Zenit*

19.00 **Conclusive Remarks**
